1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils.
- Promoting good attendance and the benefits of good attendance.
- Reducing absence, including persistent and severe absence.
- Ensuring every pupil has access to the full-time education to which they are entitled.
- Acting early to address patterns of absence.
- Building strong relationships with families to make sure pupils have the support in place to attend school.

We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

It also refers to:

- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)

This policy also complies with our trust's funding agreement and articles of association.

3. Roles and responsibilities

3.1 The Education and Safeguarding Committee

The Education and Safeguarding Committee, in partnership with the Interim Academy Board / Local Governing Board's, are responsible for:

- Setting high expectations of all Trust and school leaders, staff, pupils and parents
- Making sure school leaders fulfil expectations and statutory duties, including:
 - Making sure all schools in the Trust record attendance accurately in the register, and share the required information with the DfE and local authorities.
 - Making sure all schools in the Trust work effectively with local partners to help remove barriers to attendance, and keep them informed regarding specific pupils, where appropriate.
- Recognising and promoting the importance of school attendance across the Trust's policies and ethos.
- Making sure the schools' attendance management processes are delivered effectively, and that consistent support is provided for pupils who need it most by prioritising staff and resources.
- Making sure the Trust has high aspirations for all pupils, but adapts processes and support to pupils' individual needs.
- Regularly reviewing and challenging attendance data and helping school leaders focus improvement efforts on individual pupils or cohorts who need it most.
- Working with school leaders to set goals or areas of focus for attendance and providing support and challenge.
- Monitoring attendance figures for the whole Trust and repeatedly evaluating the effectiveness of the school's processes and improvement efforts to make sure they are meeting pupils needs.
- Where the school is struggling with attendance, working with school leaders to develop a comprehensive action plan to improve attendance.
- Making sure all staff receive adequate training on attendance, including with teachers from across the Trust, as part of the regular continued professional development offer, so that staff understand:
 - The importance of good attendance.
 - That absence is almost always a symptom of wider issues.
 - The Trust's legal requirements for keeping registers.
 - The Trust's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate.
- Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data.
- Sharing effective practice on attendance management and improvement across the Trust and providing regular opportunities for staff from different schools to come together, learn from each other and share resources.
- Holding the headteacher(s) to account for the implementation of this policy.
- Identifying and monitoring attendance patterns across the Trust's schools to identify common issues and barriers, and share effective practice between schools.

3.2 The Executive Headteacher

The Executive Headteacher is responsible for:

- The implementation of this policy at the school.
- Monitoring school-level absence data and reporting it to local school committees.
- Supporting staff with monitoring the attendance of individual pupils.
- Monitoring the impact of any implemented attendance strategies:
 - Working with the LA in relation to the issuance of fixed-penalty notices, where necessary and/or authorising the Head of School to be able to do so.
 - Working with the parents of pupils with special educational needs and/or disabilities (SEND) to develop specific support approaches for attendance for pupils with SEND, including where school transport is regularly being missed, and where pupils with SEND face in-school barriers.
 - Communicating with the local authority when a pupil with an education, health and care (EHC) plan has falling attendance, or where there are barriers to attendance that relate to the pupil's needs.
 - Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents through all available channels.

3.3 Attendance Monitoring in Schools

The school:

- a. Monitors attendance data across the school and at an individual pupil level.
- b. Reports concerns about attendance to the headteacher.
- c. Works with education welfare officers to tackle persistent absence.
- d. Arranges calls and meetings with parents to discuss attendance issues.
- e. Makes referrals to other agencies for support with mental health or other issues which may be having a negative impact on a pupil's attendance.

3.4 Class teachers

All class teachers are responsible for recording attendance (see Appendix 1) using the trust MIS System, which includes lesson as well as AM/PM marks.

3.5 School Administrators

School administrators will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the Trust MIS system.
- Transfer calls from parents/carers to the Head of School where appropriate, in order to provide them with more detailed support on attendance.

3.6 Parents and Carers

Where this policy refers to a parent, it refers to the adult the school decides is most appropriate to work with, including:

- All natural parents, whether they are married or not.
- All those who have parental responsibility for a child or young person.
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them).

Parents are expected to:

- Make sure their child attends school on time.
- Call the school to report their child's absence on the day of the absence and each subsequent day of absence, and advise when they are expected to return.
- Provide the school with more than 1 emergency contact number for their child.
- Ensure that, where possible, appointments for their child are made outside of the school day.
- Seek support, where necessary, for maintaining good attendance, by contacting the Head of School.

3.7 Pupils

Pupils are expected to:

- Attend school every day, on time.

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not.
- The nature of the activity, where a pupil is attending an approved educational activity.
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances.

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

4.2 Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence or as soon as practically possible, by calling the school before school starts and also phone before the school day starts on each day of any subsequent days absence.

We will mark absence due to physical or mental illness as authorised unless the Trust has a genuine concern about the authenticity of the illness.

If there are doubts about the authenticity of the illness, the trust will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the Trust is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the Trust in advance of the appointment.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code.
- After the register has closed will be marked as absent, using the appropriate code.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the Trust will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the Trust may contact the police.
- Identify whether the absence is approved or not.
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent.
- Call the parent/carer on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the Trust will consider involving an education welfare officer.
- Where relevant, report the unexplained absence to the pupil's youth offending team officer.
- Where appropriate, offer support to the pupil and/or their parents to improve attendance.

- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals.
- Where support is not appropriate, not successful, or not engaged with other legal intervention may be deemed appropriate.

4.6 Reporting to parents

The Trust will report the percentage attendance of children. The specific method for this reporting may be different in each school. A full attendance breakdown report is available to parents at any time upon reasonable request.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The Headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The Headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad.
- Attending an interview.
- Study leave.
- A temporary, time-limited part-time timetable.
- Exceptional circumstances.

A leave of absence is granted at the Headteacher's discretion, including the length of time the pupil is authorised to be absent for.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, and in accordance with any leave of absence request form, accessible via the school office. The Headteacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail).
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong (s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart.
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational

boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision.

- If the pupil is currently suspended or excluded from school (and no alternative provision has been made).

Other reasons the trust may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school.
- Attending another school at which the pupil is also registered (dual registration).
- Attending provision arranged by the local authority.
- Attending work experience.
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed.

5.2 Sanctions

Our Trust will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The Local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the LA issues a penalty notice, it will check with the school before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks).
- Whether a penalty notice is the best available tool to improve attendance for that pupil.
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution.
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences.
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#).
- Details of the support provided so far.
- Opportunities for further support, or to access previously provided support that was not engaged with.
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis.
- A clear timeframe of between 3 and 6 weeks for the improvement period.
- The grounds on which a penalty notice may be issued before the end of the improvement period.

6. Strategies for promoting attendance

Each school within the Trust has implemented different strategies for promoting attendance that is suitable for their setting. The Headteacher is responsible for deciding and implementing these strategies

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance

TFT schools work with some of the most complex pupils across the south west and acknowledges that many would have had considerable periods of absence for a variety of reasons before starting on roll at a TFT school. As part of the admissions process and regular reviews TFT schools will carefully,

sensitively and supportively build timetable to support pupils needs. Pupil voice will be considered alongside that of the family and any multi agencies that are in support.

7.2 Pupils absent due to mental or physical ill health or SEND

Each pupil and family will be treated as individuals and TFT staff will use their extensive experience to support pupils and families to improve school attendance. TFT schools will seek to gain external multi agency support if required and support the family will appropriate referrals. TFT schools will be realistic with their expectations and look to work with pupils and their families in a supportive way.

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, TFT schools will report on this data to the respective LA's.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

TFT schools work with some of the most complex pupils across the south west and acknowledges that many would have had considerable periods of absence for a variety of reasons before starting on roll at TFT schools. As part of the admissions process and regular reviews TFT will carefully, sensitively and supportively build timetable to support pupils needs. Pupil voice will be considered alongside that of the family and any multi agencies that are in support.

8 Attendance monitoring

8.1 Monitoring attendance

The Trust will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the schools and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The Trust will benchmark its attendance data at whole trust, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing attendance

The Trust will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance.
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence.
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends.
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns.

- Identify attendance patterns across the trust to identify common issues and barriers and share effective practice between schools.

8.3 Using data to improve attendance

The Trust will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis.
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 7.4 below).
- Provide regular attendance reports to class teachers, to facilitate discussions with pupils and families, and to the governing board and school leaders (including designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the Trust's strategy for improving attendance.

The Trust will:

- Use attendance data to find patterns and trends of persistent and severe absence.
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education.
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant.
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence.
- Implement sanctions, where necessary (see section 5.2, above)

9 Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum, every two years by the Executive Headteachers. At every review, the policy will be approved by the Education and Safeguarding Committee.
