## 1. Introduction

This Record retention schedule accompanies and is incorporated into Transforming Futures Trust's record management policy. It sets out the time periods that different types of Business Records (as defined in the Record management policy) must be retained for business and legal purposes. This is a lengthy document listing the many types of records used by Transforming Futures Trust and the applicable retention periods for each record type.

The retention periods are based on business needs and legal requirements. If you maintain any types of records that are not listed in this schedule, and it is not clear from the existing record types in this Schedule what retention period should apply, please contact *DPO* for guidance.

Any deviations from the retention periods in this Schedule must be approved in advance by the *DPO*.
